FUND FACTS

Who is this fund for?

This fund may be appropriate for investors who are:

- Seeking a diversified portfolio of high quality Canadian, American and overseas bonds and other fixed income investments
- Willing to accept a low level of risk and are investing for the medium to long term
- Seeking current income from global issuers

How much does it cost?

The following tables show the fees and expenses you could pay to buy, own and sell units of the fund.

| What you pay | How it works | | | | |
|---|---|--|--|--|--|
| Deferred Sales Chargeif you sell within:1 year of buying6%2 years of buying5%3 years of buying4%4 years of buying3%5 years of buying2%6 years of buying1%After 6 yearsnothing | The deferred sales charge is a set rate. It is deducted from the amount you sell. When you buy the fund, Equitable pays your advisor a commission of up to 5.04%. Any deferred sales charge you pay goes to Equitable. You can sell up to 10% (for non-reg/RSP) or 20% (for RIF/LIF) of your units each year without paying a deferred sales charge. The deferred sales charges are treated as withdrawals for purposes of calculating the guaranteed benefits. When you transfer units from one fund to another within your insurance contract, the deferred sales charge schedule will be based on the date you bought your first fund. | | | | |
| No Load | There are no sales charges.When you buy the fund, Equitable pays your advisor a commission of up to 2.1%. | | | | |

Ongoing fund expenses

The management expense ratio (MER) includes the management fee and operating expenses of the fund. The MER includes the insurance cost for the guarantee. You don't pay these expenses directly. They affect you because they reduce the return you get on your investment. For details about ongoing fund expenses see section 3 of your Information Folder.

Trailing commission

Equitable pays your advisor a trailing commission of up to 1.0% for as long as you own the fund. It is for the services and advice your advisor provides to you. The trailing commission is paid out of the management fee. You don't pay these expenses directly.

| | | Insurance fee | | MER | | | |

| Other fees | What you pay | | | | | | |
| Short Term Trading | 2% of the value of units you sell or transfer within 90 days of buying them. | | | | | | |
| Unscheduled Withdrawals | Each calendar year the first two (2) are free. After that you pay \$25 each. | | | | | | |

What if I change my mind?

- You can change your mind about purchasing the contract or any instruction you give, within two business days of the earlier of the date you received confirmation or five business days after it is mailed.
- You must tell us in writing, by email, fax or letter, that you want to cancel.
- The amount returned will be the lesser of the amount you invested or the value of the fund if it has gone down.
- The amount returned will include a refund of any sales charges or other fees you paid.
