How much does it cost?

The following tables show the fees and expenses you could pay to buy, own and sell units of the fund.

Sales Charge Option	What You Pay	How It Works
No Load	There is no charge when you surrender.	• When you buy the fund there is no initial charge, Equitable pays your advisor no initial commission.
No Load CB	There is no charge when you surrender.	• When you buy the fund there is no initial charge, Equitable pays your advisor an initial commission of up to 5.6%. Your advisor may have to return a portion or all of their initial commission when you withdraw units of the fund.

Ongoing fund expenses

The MER includes the management fee and operating expenses of the fund. It also includes the insurance cost for the Investment Class. You don't pay these expenses directly but they will reduce the return on your investment. An additional cost applies to the Estate Class and the Protection Class and is paid out of the contract each month which leads to a slightly lower net rate of return. For details about how the guarantees work, please refer to the contract and information folder.

Trailing commission

Equitable pays your advisor a trailing commission of up to 1.0% for as long as you own the fund. It is for the services and advice your advisor provides to you. The trailing commission is paid out of the management fee. You don't pay these expenses directly.

	Guarantees		Management Fee	Insurance Fee	MER	Guarantee Fee
	Maturity	Death				
Investment Class	75%	75%	1.83%	0.20%	2.41%	-
