Equitable

Equitable Mackenzie Global Strategic Income

Fund Overview

The objective of the segregated fund is to invest in units of the Mackenzie Global Strategic Income Fund or a substantially similar fund.

The underlying fund objective seeks income with the potential for long-term capital growth by investing primarily in fixed-income and/or income-oriented equity securities of issuers anywhere in the world.

IMPORTANT NOTE: A fundamental change was made to the underlying fund effective June 7, 2021. This change would have affected the segregated fund's performance either positively or negatively had the change been in effect throughout the periods shown.

Sustainable Investments include investments that intend to apply one or more ESG (Environmental, Social and Governance) principles in their investment strategy.

* Simulated returns estimate how the segregated fund would have performed if the fund had been active during the periods shown. They are based on the underlying fund's historical returns and adjusted for the segregated fund's applicable fees.

† Management Expense Ratios (MERs) are estimated for the current year and are unaudited. MERs may vary at any time.

Equity and fixed income breakdowns are based on the most recent data available.

All returns are calculated after taking MERs into account, but do not include the effect of guarantee fees.

Any amount that is allocated to a segregated fund is invested at the risk of the owner and may increase or decrease in value. Segregated fund values change frequently, and past performance or simulated performance does not guarantee future results.
