Sustainable Investments include investments that intend to apply one or more ESG (Environmental, Social and Governance) principles in their investment strategy.

* indicates simulated returns given that the Equitable Life segregated fund was not available for these periods. Simulated returns reflect the past investment performance of the underlying fund, with estimated adjustments made for applicable Management Expense Ratios (MER) and HST. Simulated returns are not a guarantee of future performance of the underlying fund or the Equitable Life segregated fund.

† Management Expense Ratios (MERs) are based on figures as of January 1st of the current year and are unaudited. MERs may vary at any time. The MER is the combination of the management fee, insurance fee, operating expenses, HST, and any other applicable sales tax for the fund and for the underlying fund.

All returns are calculated after taking expenses, management and administration fees into account. ANY AMOUNT THAT IS ALLOCATED TO A SEGREGATED FUND IS INVESTED AT THE RISK OF THE OWNER AND MAY INCREASE OR DECREASE IN VALUE. Segregated fund values change frequently, and past performance does not guarantee future results.
