Equitable

Equitable Invesco European Equity

Fund Overview

The objective of the segregated fund is to invest in units of the Invesco European Equity Fund or a substantially similar fund.

The underlying fund objective is to seek to produce strong capital growth over the long-term; it invests mainly in equities focusing on companies located in Europe, including Eastern European countries and the Commonwealth of Independent States (countries of the former Soviet Union). The fund may from time to time invest in companies located in other countries, generally in the Mediterranean region.

Sustainable Investments include investments that intend to apply one or more ESG (Environmental, Social and Governance) principles in their investment strategy.

* Simulated returns estimate how the segregated fund would have performed if the fund had been active during the periods shown. They are based on the underlying fund's historical returns and adjusted for the segregated fund's applicable fees.

† Management Expense Ratios (MERs) are estimated for the current year and are unaudited. MERs may vary at any time.

Equity and fixed income breakdowns are based on the most recent data available.

All returns are calculated after taking MERs into account, but do not include the effect of guarantee fees.

Any amount that is allocated to a segregated fund is invested at the risk of the owner and may increase or decrease in value. Segregated fund values change frequently, and past performance or simulated performance does not guarantee future results.
