

# Equitable Vanguard Canadian Aggregate Bond Index ETF

## Fund Overview

The objective of the segregated fund is to invest in units of the Vanguard Canadian Aggregate Bond Index ETF or a substantially similar fund. The underlying ETF objective is to track, to the extent reasonably possible and before fees and expenses, the performance of a broad Canadian bond index. It invests primarily in public, investment-grade fixed income securities issued in Canada.

Sustainable Investments include investments that intend to apply one or more ESG (Environmental, Social and Governance) principles in their investment strategy.

\* Simulated returns estimate how the segregated fund would have performed if the fund had been active during the periods shown. They are based on the underlying fund's historical returns and adjusted for the segregated fund's applicable fees.

† Management Expense Ratios (MERs) are estimated for the current year and are unaudited. MERs may vary at any time.

Equity and fixed income breakdowns are based on the most recent data available.

All returns are calculated after taking MERs into account, but do not include the effect of guarantee fees.

**Any amount that is allocated to a segregated fund is invested at the risk of the owner and may increase or decrease in value.** Segregated fund values change frequently, and past performance or simulated performance does not guarantee future results.
