

Equitable Life Fidelity® Tactical Asset Allocation Income Portfolio Select

Fund Overview

The objective of the segregated fund is to invest in units of the Fidelity Tactical Asset Allocation Income Institutional Trust or a substantially similar fund. The underlying fund objective is to seek to obtain income and capital growth, with a bias towards income, by diversifying across a range of asset classes, including the ability to actively manage asset classes within defined constraints. The Trust will invest in equity and debt securities issued anywhere in the world.

Sustainable Investments include investments that intend to apply one or more ESG (Environmental, Social and Governance) principles in their investment strategy.

* indicates simulated returns given that the Equitable Life segregated fund was not available for these periods. Simulated returns reflect the past investment performance of the underlying fund, with estimated adjustments made for applicable Management Expense Ratios (MER) and HST. Simulated returns are not a guarantee of future performance of the underlying fund or the Equitable Life segregated fund.

† Management Expense Ratios (MERs) are based on figures as of January 1st of the current year and are unaudited. MERs may vary at any time. The MER is the combination of the management fee, insurance fee, operating expenses, HST, and any other applicable sales tax for the fund and for the underlying fund.

All returns are calculated after taking expenses, management and administration fees into account. ANY AMOUNT THAT IS ALLOCATED TO A SEGREGATED FUND IS INVESTED AT THE RISK OF THE OWNER AND MAY INCREASE OR DECREASE IN VALUE. Segregated fund values change frequently, and past performance does not guarantee future results.
